Dear Mr. Wilson:

I wanted to send this letter to thank you and your staff for providing such great assistance to Henrico County and the property owner at 1955 New Market Road. With the assistance of your clients, we have been able to remove approximately 10 forty yard dumpsters with trash and debris. We have also separated his metal that he was keeping and he has been able to take those items to Dominion Salvage to obtain some money for his family.

National Counseling Group has provided 78 clients since our work began in January. These clients have donated a total of 702 hours of their time to provide a service to this family.

I look forward to working with your group again in the future. If you have any questions or comments, please let me know.

Sincerely,

Melvin R. Slough
