April 25, 2010

Dear George,

On behalf of Langley High School's senior class we would like to thank you for your recent contribution of time to the 2010 Senior Ethics Forum. This event could not have been a success without the help and support of you and the many volunteers who donated their time.

All too many headlines these days point to the need for more thought and conversation around the issue of ethics in business and personal choices, making this day even more important. We are fortunate to have someone from the community with your experience and expertise providing insight to our students.

We hope you recognize how essential you are to the success of this program. Your efforts to guide, present and stimulate discussion about significant ethical issues have reached some 500 high school seniors who are about to enter a new phase of their lives. Your participation in the Ethics Forum planted seeds that will be fruitful in the years ahead as these youth grow into adulthood.

Please accept our deepest thanks for taking the time out from your busy schedule to provide service and support.

Sincerely,

A handwritten signature in cursive script that reads "Ellen D. Zito" followed by a small flourish.

On behalf of The Langley High School Ethics Forum Committee
