Dear Mr. Minnick:

On behalf of the Fairfax Partnership for Youth, I would like to thank you for sponsoring our sixth annual 'Bridging the Gap Conference' on youth mental wellness. Your contribution of \$500.00 will help support the conference as well as help us continue to expand our programs for youth.

As you know, everybody says that they want to help youth grow up to be constructive citizens, but not everybody does something about it. Your contribution and support of our programs is special and means a lot to us.

Sincerely,

Frank Blechman, President
FPY Board of Directors

Thanks too for George Young's involvement in this conference.
